

## How to Access Your SimCity Codes

Step	Instruction	Screenshot
1.	Visit <a href="http://www.futurecity.org">www.futurecity.org</a> and click “login” to access your account.	
2.	As part of the registration process, complete the Program Details Survey. You will be prompted to do this upon login to <a href="http://www.futurecity.org">www.futurecity.org</a> until you complete it.	
3.	This is the question in the Program Details Survey where you can request up to three SimCity codes.	

4.	Once your Program Details Survey is complete, you may select the “SimCity Codes” option from the Educator Pages dropdown menu. Click that.	
5.	This pages lists the product codes you requested.	
6.	Copy and paste your product code(s) into Origin as described in the SimCity Download & Installation instructions found at <a href="http://www.futurecity.org/resources">www.futurecity.org/resources</a> .
